

## Data Protection & Ethics Statement

I hereby confirm that all activities implemented under this project will fully comply with the [EU General Data Protection Regulation \(GDPR\)](#). All personal data collected, processed, or stored during the project will be:

- Used solely for the purposes explicitly communicated to participants;
- Limited to what is strictly necessary for project implementation;
- Stored securely using appropriate technical and organizational measures;
- Accessed only by authorized project personnel;
- Retained only for the duration necessary for project needs and legal requirements;
- Deleted, anonymized, or pseudonymized when no longer needed.

The project will ensure that all individuals whose data is collected are informed of their rights, including the rights to access, rectification, erasure, restriction of processing, and data portability. No sensitive or personal data will be shared with third parties without explicit consent or a clear legal basis.

I confirm that ethical considerations, risk assessments, and appropriate safeguards will be integrated into project design and implementation to prevent misuse, discrimination, or unintended harm. Any data breaches or ethical concerns will be reported promptly in accordance with GDPR procedures.
